

From The Desk of Principal

***“Every child is a new beginning, a story waiting
to unfold and a future waiting to shine.”***

Dear Students, Parents, Teachers, and Well-wishers, It is with immense joy and gratitude that I welcome you to another chapter in the journey of our school. Every academic year brings new dreams, new challenges, and new opportunities to learn, grow, and make a difference.

At St. Mary's School, we believe that true education goes beyond textbooks and examinations. It is about awakening curiosity, nurturing kindness, strengthening character, and inspiring young minds to become thoughtful and responsible citizens. Our vision is to create a learning community where every child feels valued, every talent is encouraged, and every effort is appreciated.

The academic year 2025–2026 has been a beautiful tapestry of learning, creativity, discipline, teamwork, and achievement. Our students have explored their potential through academics, sports, cultural programmes, competitions, and various co-curricular activities. Each achievement, whether big or small, reminds us that success is not only about reaching the destination but also about the courage to begin, the perseverance to continue, and the humility to learn.

I extend my heartfelt appreciation to our dedicated teachers and staff, whose commitment and care continue to shape the lives of our students. I am deeply grateful to our parents for their trust, cooperation, and partnership in this noble mission of education.

Dear students, always remember that your greatest strength lies not only in what you know, but also in the goodness you share. Dream boldly, work sincerely, respect others, and never be afraid of mistakes, for every mistake can become a stepping stone towards growth.

As we look ahead, let us continue to build a school where knowledge becomes wisdom, discipline becomes strength, and compassion becomes our way of life.

May our school continue to inspire young hearts, brighten futures, and leave a lasting impact on society.

“With prayers, blessings, and best wishes,”

Sr. Nira Kumari SSH
(M.A, M.Ed)
Principal
St. Mary's School
