Providing individual guidance and encouragement to students.

Organising academic, cultural, sports and co-curricular programmes.

Nurturing discipline, confidence, creativity and moral values.

Supporting the school's development from its foundation to its present Secondary

St. Mary School Motihari

Achievements of the School and Staff

St. Mary's School, Bara Bariyarpur, Motihari takes pride in its long tradition of academic excellence, discipline and holistic education. Established in 1986, the school has grown steadily. Over the years, the dedicated efforts of the management, principal, teachers and supporting staff have contributed significantly to the progress and development of the institution.

Alongside academics, students are encouraged to participate in sports, cultural programmes, literary activities, competitions and other co-curricular activities. Events such as Bal Mela, Kho-Kho and language-based activities provide students with opportunities to develop confidence, creativity, teamwork and leadership skills.

The achievements of the school are a reflection of the commitment and dedication of its teaching and non-teaching staff. Their continuous guidance, encouragement and personal attention help students discover their talents and strive for excellence. The combined efforts of the entire school community continue to strengthen the motto "Service Before Self" and the vision of providing "Education for a Better Future."
